MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Attached [REDACTED] entitled 25X1A2g
"Exploitation of the International
Communist Movement by the Soviet
Intelligence Services"

1. The attached ICB study is a detailed analysis of the techniques and methods used by the RIS in exploiting Communist Parties for espionage purposes.

2. The study will be disseminated to the Federal Bureau of Investigation and appropriate counter-intelligence components of other government agencies.

3. The date on the cover (July 1954) represents the date of completion and not of publication of the study. The publication date is 1 November 1954.
